

CANADIAN
WOMEN & SPORT

SHE'S GOT IT ALL: KNOWLEDGE, SKILL,

AND THE FEELING THAT
COACHES, PARENTS,
AND PLAYERS DON'T TRUST
HER TO RUN A GAME.

Women are under-represented in softball officiating. This sends the message to young players that this career choice is out of reach for them. By providing positive leadership and mentorship opportunities, organizers and coaches can nurture trust in women's ability and make these professional roles more accessible to them.

Let's change the game at yourrole.womenandsport.ca
