SHE'S GOT IT ALL: ATHLETIC ABILITY, ENERGY, AND A COMPETITIVE SPIRIT THAT JUST WON'T QUIT.

Goalball is a rewarding and challenging sport designed for players with visual impairments. Bringing young girls into the game often rides on their parents' comfort level. By focusing on creating and maintaining a safe environment for all players, coaches will help welcome and keep girls in the game.

Let's change the game at yourrole.womenandsport.ca
